

4-H PROJECT/PROGRAM REPORT

Project Area

In the boxes, describe and indicate the number of articles made, units, quarts canned, garments constructed, acres planted, animals raised, etc., each year. (For example: 1 skirt, 2 dresses; strawberry jam, peach preserves, carrots & cucumbers; chocolate bars, sugar cookies)

[illegible]

For each year, tell why you made this project, what you learned, the cost if applicable and what you plan to do with it. Also include what you found interesting and challenging. Be sure to explain how you would like to improve upon this project if you did it again in the future.
